# Usage Guide

1. Please do not fix screws tightly until all screws and holes have been connected successfully.
2. Thread the screws a little bit first, leave them loose until all screws are in, and then tighten them all.
3. Don't expose cushions in the burning sun for a long time, please cover the set or put cushions indoor during rainy or snowy days.
4. Please do not discard packing boxes before all parts are assembled successfully.
5. If you don't receive all of products or have any problems, such as missing parts, damaged products or assembly problems, please feel free to contact us ([nbjst1123@163.com](mailto:nbjst1123@163.com)) with pictures of parts and order number, we will give you the most professional guidance to solve your problems and provide you with the best shopping experience.
